

Executive Order 2020-88 (COVID-19)

EXECUTIVE ORDER

No. 2020-88

COVID-19 Return to School Advisory Council

Executive Office of the Governor

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and is easily spread from person to person. There is currently no approved vaccine or antiviral treatment for this disease.

On March 10, 2020, the Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4, which declared a state of emergency across the state of Michigan.

In the three weeks that followed, the virus spread across Michigan, bringing deaths in the hundreds, confirmed cases in the thousands, and deep disruption to this state's economy, homes, and educational, civic, social, and religious institutions. In response to the widespread and severe health, economic, and social harms posed by the COVID-19 pandemic, I issued Executive Order 2020-33 on April 1, 2020. This order expanded on Executive Order 2020-4 and declared both a state of emergency and a state of disaster across the state of Michigan.

On April 2, 2020, to protect our youngest Michiganders and educators against the spread of COVID-19, and to reduce the risk of asymptomatic spread of the virus, I ordered our public schools closed for the remainder of the school year. Michigan is now less than 100 days from

the scheduled reopening of school for the 2020-2021 school year. Returning to school in the face of the COVID-19 pandemic will be a monumental task. On March 3, I announced the creation of the COVID-19 Task Force on Education and tasked it with developing and coordinating the COVID-19 response for our K-12 public schools. As we begin to plan for the K-12 school year ahead, the COVID-19 Task Force on Education should begin to develop a framework to inform K-12 districts as they operationalize plans for the 2020-2021 school year. The formation of an advisory group to identify the critical issues that must be addressed and provide valuable input to inform the process of returning to school is reasonable and necessary to ensure a smooth and safe transition back to school.

Section 1 of article 5 of the Michigan Constitution of 1963 vests the executive power of the State of Michigan in the governor.

Section 8 of article 5 of the Michigan Constitution of 1963 places each principal department of state government under the supervision of the governor unless otherwise provided.

Section 8 of article 5 of the Michigan Constitution of 1963 also obligates the governor to take care that the laws be faithfully executed.
